To all Parents/Carers/Staff at St. Anne's & St. Martin's

WELCOME

We hope everyone has settled into the new term well, and a warm welcome to all our new families and new members of staff across the Federation. We look forward to meeting with you all over the coming year.

The Role of the Governing Body

As Governors, we provide strong strategic direction to the schools and act as a critical friend, always challenging and supporting the work of the headteachers across the Federation. We also have a responsibility to ensure that financial decisions are made wisely. We have three committees which are made up of members of the governing body which are:

Resources: Focuses on finances, HR and premises issues.

Curriculum: Focuses on how the schools are developing the curriculum.

Community: Focuses on engagement and communication with parents, staff and pupils including marketing and wellbeing.

Details of who is on which committee is on the new websites.

Each committee have already held their first meetings of the new term. Next committee

meetings are planned for November and December.

We will be launching our parent and staff surveys in November – more details to follow soon.
